MEDITATE ^{LIKE} A JEDI

Buddha's Easy Tantra

Benefits of the Benza Guru Mantra

by Padmasambhava

“However, in such times as those, this essential Vajra Guru mantra
if recited with vast bodhicitta aspiration

in great sacred places, in monasteries,
on the peaks of high mountains and the shores of vast rivers,
in places inhabited by gods, demons and evil spirits,
at the heads of valleys, geophysical junctions and so on

Buddha's Easy Tantra

by *ngakpas* with unbroken samaya, vow-holding monastics, faithful men, women of fine qualities, and the like, however many times—one hundred, one thousand, ten thousand, one hundred thousand, ten million, one hundred million, etc.—

will bring inconceivable benefits and powers.
Countries everywhere will be protected
from all plague, famine, warfare, armed violence,
poor harvests, bad omens and evil spells.

Rain will fall on time, harvests and livestock will be excellent,
and lands will prosper.

Buddha's Easy Tantra

In this life, future lives, and on the pathways of the bardo,
fortunate practitioners will meet me again and again—
at best in actuality, or else in visions, and at the very least in dreams.

Having gradually perfected the levels and paths,
there is no doubt that they will join the ranks
of male and female Awareness Holders in Ngayab Ling.

“Even one hundred recitations per day without interruption
will make you attractive to others,
and food, wealth and enjoyments will appear effortlessly.

Buddha's Easy Tantra

If you recite the mantra one thousand, ten thousand, or more times per day, you will bring others under your influence with your brilliance, and blessings and powers will be continuously and unobstructedly obtained.

If you perform one hundred thousand, ten million or more recitations, the three worlds will come under your power, the three levels of existence will fall under your glorious sway, gods and spirits will be at your bidding,

the four modes of enlightened activity will be accomplished without hindrance, and you will be able to bring immeasurable benefit to all sentient beings in whatever ways are needed.

Buddha's Easy Tantra

If you can do thirty million, seventy million or more recitations,
you will never be separate from the Buddhas of the three times
nor ever apart from me;

thus, the eight classes of gods and spirits
will obey your orders, praise your words,
and accomplish whatever tasks you entrust to them.

“At best, practitioners will attain the rainbow body;
failing that, at the time of death, mother and child luminosities will meet;
and at the very least, they will see me in the bardo

Buddha's Easy Tantra

and all their perceptions having been liberated into their essential nature,
they will be reborn in Ngayab Ling
and accomplish immeasurable benefit for sentient beings.”

Buddha's Easy Tantra

A. *Two Paths*

*In the Tao Te Ching we read of two paths in any endeavor,
Lao Tzu warned against the former and encouraged the latter:*

*the path of yang or the path of yin,
the path of patriarchy or the path of matriarchy,
the path of rigidity or the path of flexibility,
the path of elitism, or the path of egalitarianism,*

*the path of control or the path of permissiveness,
the path that craves certitude or the path that embraces ambiguity,
the path with authority as the source of truth
or the path with truth as the source of authority,*

*the direct path or the circuitous path,
the active path or the passive path,
the path of competition or the path of cooperation,
the path of cruelty or the path of compassion...*

Buddha's Easy Tantra

*the path of pride or the path of love,
the path of ego or the path of NO-self (aka NOT-self),
the path of scatteredness or the path of centeredness,
the path of contrivance or the path of spontaneity,
the path of effort or the path of ease.*

B. Four Levels of Practice

- Browsers – come to class but do NO homework and see NO transformation.*
- Students – come to class AND do their homework every morning AND every evening; they evolve.*
- Yogis – students who perform one-day retreats every quarter, month or week, practicing four times that day (i.e.: 6am, 10am, 2pm & 6pm).*
- Monastics – students who live as if on permanent retreat, practicing four times every day (i.e.: 6am, 10am, 2pm & 6pm).*

Buddha's Easy Tantra

Twenty minutes of formal silent meditation

for First Level Students – those who are seeking a “life lubricant”

Forty minutes of formal silent meditation

*for Second Level Students – those who desire a “profound evolution”
such as healing PTSD, overcoming a tragic past,
or transcending a disempowering and oft repeated pattern*

Sixty minutes of formal silent meditation

*for Third Level Students – those who yearn to rapidly master
sagehood's simplicity, patience, and compassion to the point of practicing them:
spontaneously, habitually, easily and effectively.*

Buddha's Easy Tantra

C. The Path of Mastery

Unconscious Incompetence

Conscious Incompetence

Conscious Competence

Unconscious Competence

When have we mastered the sages' path?

Buddha's Easy Tantra

*When we practice their techniques:
spontaneously, habitually, easily and effectively;
and their practice has so defined us
that we no longer chase a goal...*

*but are so content to practice the path
that we no longer even feel the need
to ask whether or not
we have mastered it.*

D. The Means of Mastery

*Ten thousand hours of regular, lucid, strategic practice
is often the minimum required to accomplish mastery needed to teach others.
Any student who enthusiastically practices their homework every morning
AND every evening for sixteen consecutive weeks could be considered an apprentice.*

*A Journeyman is an apprentice who has accumulated
5,000 hours of study and 5,000 hours meditation;
ideally for eight hours daily
over the course of three and a half years...*

*and has demonstrated intellectual comprehension
and emotional **evolution**.*

Buddha's Easy Tantra

*A Master is a journeyman who has accumulated
an additional 5,000 hours of study
and an additional 5,000 hours of meditation;
ideally for eight hours daily...*

*over the course of an additional three and a half years
and has demonstrated intellectual and emotional **mastery**.
The 10,000 hours is a minimum, for some folks require 20,000 hours,
30,000 hours or more to demonstrate intellectual and emotional mastery.*

*Although this path of mastery can be long,
it is neither mysterious nor occult.*
